"First Time Caller"

USA, 2003

Director: Paul Sullivan - Producer: Ted Sullivan

Late night AM radio talk show host, Dale Sweeney, is desperately trying to find an audience for his universally ignored show. During one broadcast, he receives a strange phone call in an indecipherable language. When two secretive government agents arrive investigating a UFO sighting, Dale deduces that the mystery caller must actually be an extra-terrestrial trapped in

Melbourne, Florida and sets out to discover it.
